## Lajitteluohje

Tear, flatten and pack cardboard inside one another so that it takes up as little space as possible in the waste container. If necessary, rinse out food packaging and allow them to dry. If the cardboard package has a cap, remove it and sort it in the collection for plastic packaging.

## Mitä jätteelle tapahtuu?

Tube winding board, for instance, is manufactured from collected carton.

## Synonyymit

blister packaging, blister pack, medicine bottle,
