Raking waste, Small branches and twigs

---

## Lajitteluohje

Make compost out of raking waste in your own yard, or bring it to a sorting station or waste treatment centre. The sorting stations in Korpo, Houtskär and Utö do not take raking waste.

## Mitä jätteelle tapahtuu?

Raking waste is composted and used in in the construction of green areas.

## Synonyymit

clubrush, bulrush
