Sanitary ware

---

## Lajitteluohje

Sanitary ware is received at sorting stations. Observe that sharp edges, that can cause cut wounds, might occur if sanitary ware breaks. Therefore, it is recommended to use cut resistant gloves, when handling sanitary ware.

## Mitä jätteelle tapahtuu?

Sanitary ware is crushed and used in the structure maintenance of waste treatment centres.

## Synonyymit

WC,toilet seat,porcelain toilet,bathroom sink,toilet sink,bidet
