End-of-life textiles

---

## Lajitteluohje

Sell usable clothing and home textiles in good condition for example on a flea market or take them to a collection for a charitable organisation.

- Sort clean and dry used up textiles into end-of-life textiles.
- Sort dirty, damp, mouldy, intensively smelling and textile pest containing textiles as mixed waste.
- Sort rugs, shoes, handbags, belts, underwear, socks, stockings, pillows, blankets, padding and stuffed toys according to size either as mixed waste or large mixed waste (larger than 60 x 60 cm).

Please pack the end-of-life textiles in a tightly closed plastic bag or waste bag. Textiles that are not packed, will be received as mixed waste and charged according to price list.

**No** rugs, shoes, handbags, belts, underwear, socks, stockings, pillows, blankets, padding or stuffed toys nor damp, mouldy, textile pest containing or intensively smelling textiles.

## Mitä jätteelle tapahtuu?

The end-of-life textiles are delivered through sorting for materials recovery, recycling and energy.
